

# Wyche C of E Primary School

## PE and Sports Grant Report 2021-22

### DfE Vision for the primary PE & Sports Grant premium

*All pupils leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.*

In spending the funding our aim at the Wyche is that we improve PE provision throughout the school, broaden staff knowledge, increase the range of activities children have access to, improve resources and facilitate PE enrichment for our pupil, both now and in the future. We want to instil a love of sport and physical activity that lasts long beyond the children's school years. We also want to focus on the mental wellbeing and health of our children.

### *The 5 key Indicators*

The profile of PE and sport is raised across the school as a tool for whole-school improvement

The engagement of all pupils in regular physical activity

Increased confidence, knowledge and skills of all staff in teaching PE and sport

Broader experience of a range of sports and activities offered to all pupils

Increased participation in competitive sport
