THE FRIDAY LETTER

This week at The Wyche

Hedgehogs showed wonderful skill in sewing up their fabric glove puppets, Foxes learned about regional variations in the weather, Otters learned about attraction and repulsion in magnets, Stoats learned about the origin and meaning of the word Messiah, and Badgers discussed appropriate and inappropriate physical contact in their PSHE lessons as part of our education in keeping themselves safe and building good relationships with each other.

Collective Worship

This week we considered two festivals which involved light. On Tuesday we thought of our Hindu friends who are celebrating Diwali, and on Wednesday we considered how to stay safe on Bonfire night whilst enjoying the Fireworks. Whatever you do this weekend be safe around fireworks, won't you.

What likes do to your brain

Online Safety - Dopamine and likes

There's a good resource on BBC bitesize about "likes" in social media and how this affects the brain. It's KS2 appropriate so why not check it out if you have chosen to let your child use social media?

Family Help

If you ever need to dicuss a matter you are having difficulty with as a family we are here to listen. Don't forget the Worcesterhire Family Hub for help and support in life.

It's going to be a busy, fizzy, whizzy weekend, so stay safe and enjoy the bright lights and bangs. Remember to keep pets indoors and fireworks in a tin box.

always in partnership,
Mr Murphy

We can all play a part in safeguarding children. If you are ever worried about the safety of a child, please discuss this with Mr Murphy, Mrs Baylis or Mrs Charles. You can refer or get advice yourself from Children's Services on 01905 822666.
If you think a child or adult is in immediate danger, please call the police on 999.

Spirituality

It was lovely this week when we had an assembly about the Hindu festival of lights and pupils spontaneously turned to our two pupils from India and warmly wished them a "Happy Diwali".

The Wyche is a place where we show respectful curiosity and interest about the lives and beliefs of each other, and it was delightful to learn about a festival that is not part of the church calendar but will be lighting up hearts and night skies in the UK this weekend.

HAPPY DIWALI

At the Wyche we describe Spirituality as *the search for meaning purpose and connection to something larger than oneself.*

Together We Soar

Together We Soar

Attendance Absolutely Matters

Congratulations to Hedgehog Class who take ownership of Buzz for this week with an incredible 99% attendance.

The picture shows just a small amount of the entries received more pictures to follow

Half Term Challenge

We have had an incredible response to the Half Term Challenge with lots of children bringing in fantastic pieces of artwork. These will be photographed and all displayed in the hall whilst judging takes place.

Science Resources

For an upcoming science topic both Otter and Stoat classes need empty cereal boxes and clear plastic bottles of any size. Can we please ask everyone to save these items and send them into school. Many Thanks.

Telephone Problems

We are having an ongoing problem with the office telephone (the actual handset has stopped working). We have been working very hard to resolve this situation. Please direct any communications via email to the office (office@wyche.worcs.sch.uk) as we are checking this regularly. Apologies for any inconvenience.

Bonfire Weekend

The children enjoyed an assembly this week on Guy Fawkes, Bonfire night and enjoying themselves safely. We hope you enjoy the weekends festivities be it at a Bonfire celebration or cosily with a hot chocolate.

Stars of the Week

It is always a delight to award a "Star of the Week" award to a child who has demonstrated the STRIVE values in classwork. This week's award-winning superstars are:

HEDGEHOGS
FOXES
OTTERS
STOATS
BADGERS

STAR OF THE WEEK HAS BEEN POSTPONED TODAY DUE TO THE PANTOMIME BUT WE WOULD LIKE TO CONGRATULATE ALL THE CHILDREN ON A GREAT FIRST WEEK BACK!

House Points

Look out for 'Double Points' next Week!

Buzz, Strive and Hope are preparing to enjoy bonfire weekend.

Make sure there is an adult helping you guys and never return to a spent sparkler or firework!

By living and learning together through our Christian values of *Safety*, *Trust*, *Respect*, *Inspiration*, *Value*, & Engagement, with God's help, we will support each other to "soar", lifting hearts and broadening horizons, so that by giving our best today, the world may be better tomorrow.

FRIDAY 6TH NOVEMBER 2026

- Tues 15th December - Whole School Carol Service 2pm All Saints Church

Snow White

Today the whole school was treated to a visit from M&M Productions touring pantomime Snow White! The children had a fantastic time singing and dancing along.
A massive thank you to the Friends of the Wyche who's fundraising efforts covered the cost of this visit.
