

THE FRIDAY LETTER

This week at The Wyche

Badgers wrote stunning descriptions of yellow spotted lizards, Stoats mixed tints and shades and gave them amazing new names, Otters started to record their mini-podcasts, Foxes learned the golden rule common in a huge amount of faiths (do to others what you wish you wish they would do to you) and Hedgehogs learned a song in Polish! *Świątka muzyka!*

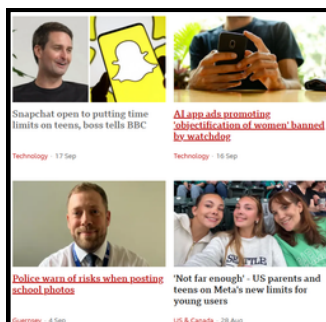

Collective Worship

This week we considered the role of democracy in our own personal agency and freedom and looked at the enormous queues to vote in the 1994 South African general election when finally, all races were allowed to take part in democracy after the end of the apartheid era.

Online Safety - BBC Internet Safety Page

This part of the BBC website is a great roundup of news and updates for parents to keep up with our kids and the dangers and changes presented by the internet and AI, despite their benefits. Check it out, and make a habit of it. The better informed we are, the safer they will be.

Spirituality

Infant Duty

One of the privileges and responsibilities of being in Year 6 is the expectation that these pupils will work with Year 1, 2 and Reception, helping them enjoy school life.

These delightful relationships have begun again and it really is a treat to see meaningful connections springing up between older and younger pupils, engaged in helping each other to soar, whether it is including them in games, opening snack packets or keeping them company.

In particular, the warm welcome they have given to our new Reception pupils has been lovely to see. When we give, we receive. Simple as.

Together We Soar

Family Help - Malvern Special Families

This wonderful charity in Great Malvern gives play opportunities (and much more more) to children and families living with disabilities and additional needs. One parent said "MSF has provided us with the opportunity to be better parents". If you live with children with additional needs, why not reach out and see what they can do for you?

It's been a warm Autumn so far but we have those dewy mornings and pink skies creeping in this week and I hope we all have a gorgeous. The Wyche is a great place to be when the leaves are turning and the evenings drawing in. See you on Monday for more soaring!

Mr Murphy

We can all play a part in **safeguarding** children. If you are ever worried about the safety of a child, please discuss this with **Mr Murphy, Mrs Baylis or Mrs Charles**. You can refer or get advice yourself from Children's Services on 01905 822666.

If you think a child or adult is in immediate danger, please call the police on 999.

"They will soar on wings like eagles." Isaiah 40:31

Malvern Wyche C of E Primary School

Together We Soar

Attendance Absolutely Matters

Congratulations to Fox Class who take ownership of Buzz for this week with an incredible 99% attendance for this week.

99%

Email Updates

We have been made aware that some work that took place, in school, over the Summer Holidays had re-set some of our IT set-up, this led to many people not receiving last weeks Friday Letter. Our external IT company were in school on Tuesday and I am hoping the problem has now been resolved. Apologies for any inconvenience this may have caused.

Oakerwood

Our year 6 class head off on their residential to Oakerwood on Tuesday morning - you will notice the school 'a buzz' with suitcases and sleeping bags being dropped in the car park outside the office.

The coach will leave the school at approximately 9.30am for anyone who wishes to wait and wave the children off.

Mrs Charles will do her best to post updates on Badger Class Seesaw for parents, however please be reminded that the signal at Oakerwood is very sketchy so this may be sporadic. We will email from our 'Communication' email on Friday afternoon to advise an approximate arrival home time - children can be collected straight away and do not need to wait until 3.25pm.

Any queries or questions need to come to the school office.

Fair Trade Assembly

Otter and Stoat Class joined 53 schools nationally who took part in a Fairtrade assembly. The children learnt about how Fairtrade helps cocoa farmers and communities set up schools and hospitals. The children enjoyed the session.

Typing Skills

One of the teaching team have come across this handy website which helps and encourages the children to learn to touch type/keyboard skills. Please copy and paste the following link and encourage your children (particularly KS2) to have a go!

[CLICK HERE TO GIVE IT A TRY](#)

School Nurse Team

Please be aware that the School Nurse Team are available and on-hand to help and support with a range of health and well being issues. Do not hesitate to contact them using the information displayed.

By living and learning together through our Christian values of *Safety, Trust, Respect, Inspiration, Value, & Engagement*, with God's help, we will support each other to "soar", lifting hearts and broadening horizons, so that by giving our best today, the world may be better tomorrow.

Stars of the Week

It is always a delight to award a "Star of the Week" award to a child who has demonstrated the **STRIVE** values in classwork. This week's award-winning superstars are:

HEDGEHOGS
HOLLIE PRICE
ALEXANDER ADIE

FOXES
LUCY PHILLIPS
STEFFAN POULTER

OTTERS
SAMUEL WOOD-HALLE
LOUIS SHEPPARD

STOATS
NOAH TURCINAVICIUS
ELIZABETH COOK

BADGERS
OLLIE YOUNG
ROXY ALEXANDER

House Points

This week Midsummer take the crown with a fantastic 64 Housepoints. Congratulations to all for their efforts and hard work.

Strive is all packed and ready to join Year 6 at Oaker Wood. Buzz and Hope will keep a lid on things back here at the Wyche. have a great time Strive.

Stoat Class Science!

This week in Science Stoat Class have been learning about Magnets and how they work. The children had a lovely afternoon experimenting with the magnets and measuring the distance between magnet and object.
