

# THE FRIDAY LETTER

## This Week at The Wyche

This week Badgers have begun to understand more complex maps, Stoats explored how sound travels as vibrations, Otters learned about the Christian festival of Pentecost, Foxes began their new book fantastic Mr Fox and met the Fox family, Hedgehogs learned about all the things they can do by themselves now they are older.

## Collective Worship

This week we thought about **Value**, and considered what we would put in a treasure chest. Then we considered the empty tomb after the Resurrection of Jesus and thought about how for Christians, its very emptiness was the best treasure of all.

## Support for Parents

Don't forget you can get advice and services on our website here: <https://www.wyche.worcs.sch.uk/support-for-parents>, Or come in for a chat, we will see if we can help.

## Online Safety - Who is in charge of your child's phone.

If your child has a phone or tablet, can you confidently say you have a good grasp on what they are seeing, saying, doing and sharing online? When did you last check their messages, photos or history? Do they delete? Connect with your child this weekend, check that phone, and if you don't have one already, draw up an agreement that let's them know you are here, you care, and they are safe.

We all love the holidays but it's great to be back in the sunshine and learning once again. Enjoy the weekend and see you on Monday!

*Mr Murphy*

We can all play a part in **safeguarding** children. If you are ever worried about the safety of a child, please discuss this with **Mr Murphy, Mrs Baylis or Mrs Charles**. You can refer or get advice yourself from Children's Services on 01905 822666.

**If you think a child or adult is in immediate danger, please call the police on 999.**

## In School this week.

## Stoat Class Science!

In science this week Stoat class have been using musical instruments to investigate how they vibrate so we can hear them. It was a noisy but engaging lesson and everyone had a fab time.

## Attendance Absolutely Matters

Congratulations to Fox class who take ownership of Buzz this week with a Tremendous 99%! It can be tricky to return back to school after the holidays but the children have done remarkably well.

Thank you for your ongoing support.

## Afterschool Clubs

Confirmation slips for this terms afterschool clubs have come home with the children today - please check bookbags etc. As always, many of the clubs were oversubscribed so if your child changes their mind and no longer wants to do a particular club then please email the office. If your child is doing Baking and is down for the first half term then this begins on Monday - please send the £10 payment in a named, sealed envelope to cover the cost of ingredients and tools. Eco club starts on Wednesday, if your child has a space then please send a packed lunch on that day.

## Trainers & Sandals

Can we please ask that children are coming to school in 'proper' school shoes. Trainers and open toed sandals are not school uniform (unless otherwise agreed with a class teacher). If you are in any doubts re school uniform please check on the school website. Many Thanks

## David Attenborough Day!

On Friday 8<sup>th</sup> May we will be marking a very special day here at The Wyche - David Attenborough's 100<sup>th</sup> Birthday! To celebrate, we are inviting all pupils to come into school dressed as one of the following -

- an animal
- a habitat (E.G the arctic, rainforest)
- a young explorer
- or simply in green or blue to represent land and/or sea

During the day the children will take part in a variety of different activities celebrating the natural world and thinking about the planet. More information will follow.

We look forward to seeing everyones ideas.

## Pedal for Pounds

We have had a wonderful response to our Pedalling for Pounds fundraising for Gofuu Juu. Thank you to everyone who has supported and taken part. It is not too late to send in sponsor money, please copy and paste the following link into your internet browser - <https://wonderful.org/fundraisers/nyWP6> where you can donate online.

Our fundraising totals will be announced next week!

By living and learning together through our Christian values of *Safety, Trust, Respect, Inspiration, Value, & Engagement*, with God's help, we will support each other to "soar", lifting hearts and broadening horizons, so that by giving our best today, the world may be better tomorrow.

## Stars of the Week
